What Sponsors say about our Convention and ACES Show

“I have attended the ACES show for over 25 years. We hope to come another 25 years. I always enjoy getting to see my friends and customers that attend this show. The ACES show continues to be the backbone for business in this industry.”

Al Heringer, IV, Lone Star Company, Inc.

AOMA Board Member

“The annual AOMA Convention and ACES Show is very important to American Petroleum and has proven to be a great success for our company for many years. It offers us an opportunity to renew both business and long term personal relationships that we have developed over the years with the Arkansas oil jobbers. We are proud to continue our sponsorship to support what we feel is a strong association.

The golf tournament and all the other convention functions are first class and something we, as an equipment company, happily look forward to every year. This show has a great history and the Arkansas oil jobbers and vendors should be very proud of the ‘Association Team’ for their endless efforts year end and year out.”

- John Gentry, American Petroleum Sales & Service

ACES 2020
